

# THE ESSENCE OF THE SOUTH COAST

VOLUME  
700ML

ABV  
40%

Our signature gin is a harmonious blend of juniper, vibrant orange citrus, aromatic cardamom, earthy coriander seed, and the warm spice of Tasmanian pepper berry.

Our Kentucky-styled Durras moonshine is mellowed in small bourbon barrels on site for a bold oaky richness with hints of vanilla and caramel - unashamedly not afraid of either ice or coke.

Each sip from the Durras Distillery range promises a journey through NSW South Coast crafted innovation and lives as a testament to our commitment to quality and authenticity.

We invite you to join us on this journey, to savor the fruits of our labor, and to become a part of the Durras Distillery family. Whether you're an enthusiast or a curious newcomer, we believe there's a place for you here, where every bottle is crafted with care, packaged with love and every sip is a celebration.
